Meeting of Sub-Group 3 of the Special Group on the
Future Tasks of the Alliance (AG/261)

In answer to your letter dated 24th May, 1967, concerning the next meeting of Sub-Group 3, I suggest that the International Staff be represented by Mr. A.P. Hockaday, Dr. W. Bühling and Mr. L. Thiébauld at the meeting to be held in Washington in early October.

2. Would you permit me to state a preference for the second week in October since two of the International Staff members mentioned above are expected to attend a symposium organised by SACLANF at Greenwich from 3rd to 5th October.

3. However, they have informed me that they would adjust their arrangements if it was more convenient for Mr. Fy Kohler and the majority of the Sub-Group to hold the meeting in the first week of October.
