Subject: Mission to Washington and Ottawa

Mr. Vernon has been ordered by the Secretary General to accompany Dr. C.L. Patijn on a mission to the United States and Canada, which he is undertaking as the Rapporteur of Sub-Group 4 of the Special Group. Dr. Patijn has said that he will wish to work during flights and in consequence I should be obliged if you would agree to modify the Staff Rules regarding travel so as to enable Mr. Vernon to be issued with a first class ticket for this mission. In addition I request that the Organization advance Mr. Vernon a sum of money sufficient to defray his hotel expenses, for which he will submit the vouchers, and 2/3rd of the usual per diem allowed for those who undertake missions in the United States and Canada.
