27th April, 1967.

Thank you very much for your letter of 24th April. I am pleased that basically you concur with my opinion that we have to found our judgments on Soviet policy as it affects the external world. In this respect I think that the recent Communist conference in Karlovy Vary is illuminating and maybe worthy of discussion in this exercise.

In order to make a contribution to your discussions in the Sub-Group, I think it may be useful if the paper on Soviet Foreign Policy, prepared on my instructions by the International Staff, were considered. I am sending an adequate number of copies to you under separate cover.

Enrico Berio.

His Excellency Mr. J.H.A. Watson,  
United Kingdom Delegation to the  
North Atlantic Council.
