

18/12 59

*Met in K [Copenhagen] with Hammershöi and Rasmussen.  
Informed them about the Hjalmarson affair and about our  
cabinet-briefings about the cooperation. Underscored the  
necessity of caution and of the three principles*

- 1) only nationally*
- 2) only between the chiefs of the defence staffs*
- 3) no ~~binding~~ automatic coming into force.*

*Gn [Göransson]*
